### Arte

**Developer Sapir Corp.** turned to Italian architect **Antonio Citterio** for **Arte**, its 16-unit, 12-story boutique project on the beach in Surfside. Citterio is known for work on **Bulgari** and **Mandarin Oriental** projects in Dubai, London, Milan and Bali. Citterio collaborated with **Miami's Kobi Karp Architecture & Interior Design** to create an exterior with sliding glass doors with a gridded bronze window system and accented with travertine marble. Landscaping was designed by **Enzo Enea**, considered one of the world's top landscape architects. Amenities includes a 75-foot indoor swimming pool, an outdoor swimming pool, a rooftop tennis court, fitness center and yoga studio, sauna and steam room and a meditation pond.
